Sir,

I have the honor to report that it is usual for officers of the Secretariat to claim full mileage for road journeys covering a distance of not more than 20 miles performed, either independently or before or after a Railway journey on the same day under article 562 of the Mysore Service Regulations when [illegible]

allows full mileage not limited to daily allowance to Officers whose duties ordinarily require them to travel throughout the Province. I request you to kindly obtain the orders of Government as to whether the Officers of the Secretariat may be regarded as having duties which ordinarily require them to travel throughout the Province and grant the benefit of article 5-62 of Mysore Service Regulations.
